## **DEVELOPING CO-OP HOUSING: THE ESSENTIALS**

Come and gain insight into the versatility of the co-op housing model, financing approaches, and how it can work for those with reliable incomes who lack the financial means to purchase directly. Limited equity co-ops offer a viable alternative to low-income rental housing and market-rate home-ownership, providing a low-risk, low-yield ownership option and stable housing in expensive urban areas.

### **Training Session will Cover:**

- Marketing Process
- Preparation of Legal Documents
- Cooperative Member Education
- Closing Financing
- Best and Worst Practices

### **Session Date**

Co-op Housing Development Pre-Development | June 17th 6:00 pm - 9:00 pm
